

Understanding your health just got easier

Ask Your Doctor About Emmi

What is Emmi?

Emmi® is a series of free, animated online programs that walk you through important information about a health topic, condition or procedure. You can watch Emmi programs as many times as you like and you can share them with your family and friends.

Learn More About Your Health

Doctors try to explain everything about your health but sometimes it gets confusing. Emmi programs help to answer your questions and make you feel more at ease. You are the most important member of your health care team, so you should have all the information you need.
